The future of your business depends on this!
Mobile Devices are ready to reach your customers!
Build your BRAND quickly and easily by going Mobile!
You will seriously harm your business without this!

-----EMAIL COPY-----

Hi (insert first name),

These days, the success of your online or offline business depends not only on the quality of traffic to your website and the social recognition and interaction it may get in social networks, but it also largely depends on the Mobile Presence it may have, and that is a hard fact.

With Our Mobile training you will be able to:

- Get your business on mobile in the shortest time ever.
- Considerably grow your army of potential clients
- Instantly interact with your new and existing clients

It is great to know about all of the wonderful things Mobile Devices can do for your business when you use the correct techniques. But if you don't know them, how can you apply them?

Even worse, it is a fact that if you don't know how to apply them, you could end up harming your business seriously. And believe us, Mobile Devices are a powerful viral machine for good news as well as bad.

You could be claiming to have the best business, product or service. You could even be presenting the right social impression, but...

...if you don't have a Mobile Website, you're already losing a great deal of customers who actually are looking for your business and services already!

- Would you like to significantly expand your marketing reach?
- Do you really want to get the most out of Mobile Marketing and don't know when or how to do it?
- Are you struggling to find a proven and trusted training system about Mobile Marketing, including the latest updates?

Then you could easily save yourself a lot of pain and frustration by downloading our latest publication on Mobile Marketing:

This guarantees that your business will still exist for years to come!
Millions of dollars have been invested on this!
Do you realize how volcanically hot this is?

-----EMAIL COPY-----

Hi (insert first name),

People check their mobile devices dozens of times a day, so it just makes good sense to get your business in on the non-stop action by going mobile

Do you realize how volcanically hot Mobile Marketing is getting at this exact moment?

- The number of mobile devices almost exceeds the number of people on earth.
- One in four online searches is done on a mobile device
- The average American spends 2 hours a day on his mobile device
- 40% of users that scan a QR code will buy the product
- 68% of people use a mobile device to look up a store address
- 52% of mobile users check the prices of an item online they wish to buy
- 91% of Smart phone users keep their phone within arm's length
- 70% of all mobile searches result in an action within an hour
- 52% of mobile searchers call the Company they are researching
- 47% of mobile users are more likely to read reviews online for the product.

So the question isn't whether we should go Mobile! The question is how well can we do it?

In our Highly Effective Mobile Training System, businesses and marketers will learn exactly how to do it.
