

Front End Sales Video

Hello business owner or aspiring online marketer,

Have you made numerous efforts to make **INSTANT profits** by promoting various offers to your list?

AND,

Do you want to make a killing with email marketing, but don't know how to do it?

I'm willing to bet you're saying YES!

And now, you must be scratching your head thinking "How do I get instant results?"

Did you know, Email marketing yields an average **4,300% return on investment** for businesses in the United States?

Yeah, that's right. Also, EMAIL MARKETING is a proven way of getting recurring income by **promoting new offers to** your EXISTING LIST.

When you send them LUCRATIVE offers that are best suited to meet their needs and expectations,

Ultimately, it **increases their trust and confidence** in your BRAND.

It also helps to **increase sales and profits** from your **Existing buyers and subscribers** without making any EXTRA Efforts, BUT...

The only problem is: How to get **complete and authentic information** for Email Marketing in one place to succeed?

Don't worry! You are not alone!

Many business owners and online marketers want to learn Email Marketing, but fail because they don't have a simple plan of action that provides **realistic results that are measurable**.

To beat the competition, pay attention to every word spoken here.

Email Marketing helps you to:

- Increase profits by boosting sales and conversions.
- Reduce overhead costs and marketing budgets.
- Enhance customer loyalty and profitability.

- Promote new offers easily by generating trust from your customers.
- Target customers precisely based on their needs and demands.
- Track sales and user engagement effectively.

Along with that, you will also be able to make the best use of your finances **by getting the best results** for your marketing efforts.

After reading this, you should realize **the HUGE potential** that the effective use of Email Marketing holds for your business.

And,

I'm sure you **are feeling tempted** to use them for your business, RIGHT?

But wait,

Before you start dreaming of **getting the best results**, ask yourself- **Are you up to date** with latest E-MAIL MARKETING techniques?

Do you know everything you need to succeed using Email Marketing correctly?

NOW, let me **blast you** with these fascinating eye openers:

- American companies send an average of 1.47 million emails per month.
- Emails with social sharing buttons increase click-through rates by 158%.
- Email marketing delivers the highest ROI of about \$44.25 per dollar spent of any digital marketing tactic.
- Email is nearly 40 times better than Facebook and Twitter at acquiring customers.
- 247 billion emails are sent every day. This equates to one email every 350 billionth of a second.
- 73% of marketers agree that Email Marketing is the core of their business.
- 91% of consumers check their email at least once per day on their smartphone.
- 51% of marketers rate email marketing as their most effective channel.
- 67% of marketers say that email is key for increasing marketing ROI.

These crazy facts have certainly **left you completely surprised**.

But somewhere,

A little doubt is in your mind on how to get the most out of Email Marketing for your Business.
