Hi (insert first name),

These days, it's not easy anymore to find clients by going directly to their homes, or picking up the phone and offering your services, or even putting an expensive commercial on a radio station. People don't listen to radio any more.

You could be claiming to have the greatest product or service in the world, and that everybody needs it, but if you don't build a list, you are wasting precious time, money and effort!

The way to market your service changed many years ago. Now it's even easier than before, it is difficult if you still keep applying the old school method.

It is great to know about all of the wonderful things Internet can do for your business when you use the correct techniques. But if you don't know them, how can you apply them?

Don't worry, this issue will not become a barrier between you and your professional success.
