

Google Plus (+)

Inviting Others

In this section you will learn:

- How to invite friends and contacts to join you on Google Plus
- How to share your Google Plus link with a group of people

Invite people to join you on Google+

Invite people by email.

Send email

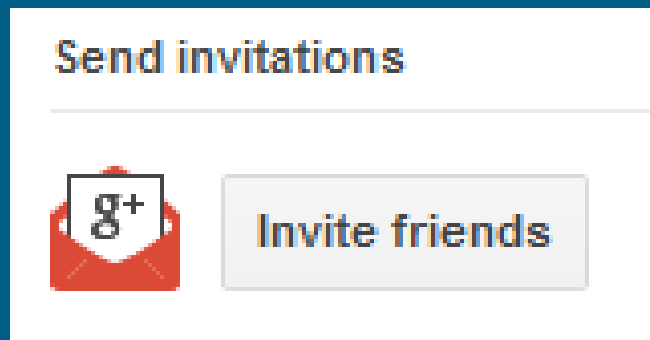

Or, share this link with a group of people

<https://plus.google.com/i/Y1G4ZljyOBY:OL18kbAfxDQ>

Inviting others to Join Google Plus

- From your Google Plus Home Page
- Simply click on the Invite friends link. This link usually appears in the right sidebar while viewing your profile.

Inviting others to Join Google Plus

- You will see the following box appear

Invite people to join you on Google+

Invite people by email.

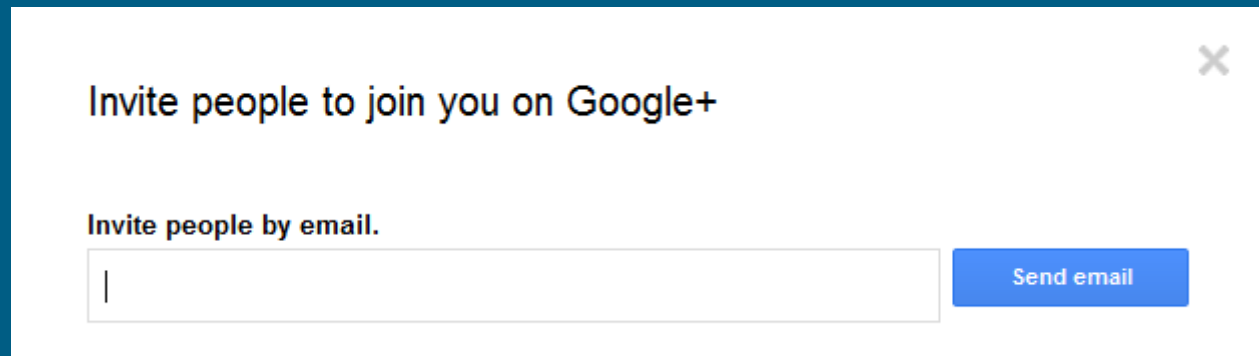

[Send email](#)

Or, share this link with a group of people

Inviting others to Join Google Plus

- You can enter the e-mail of the person or people you would like to invite
- If entering more than one email address, separate them with a comma

The screenshot shows a white dialog box with a close button (X) in the top right corner. The title is "Invite people to join you on Google+". Below the title, it says "Invite people by email.". There is a text input field with a vertical cursor and a blue "Send email" button to its right.

Invite people to join you on Google+

Invite people by email.

Send email

Inviting others to Join Google Plus

- Once you enter a complete email address and enter a comma to enter the next email address, Google Plus will recognize this and complete the first email address as below.

Invite people by email.
