

Google Traffic Loophole Secret Report

Step 1: Open Up Google.com

Step 2: Type a "**Search Topic**"

This can be anything like:

networking
Social sites
Home income
Profit at home

Step 3: Insert the "**Secret Google Code**"

Code: (copy the entire string)

Code:
site:ezinearticles.com "This article has been viewed 2000..199999" "Article Submitted On: * *,
2009"

Step 4: Click Search

You're going to notice something super awesome in the results: **Topics that are grabbing thousands of eyeballs!**

This method is so **powerful because it allows you to see first hand what topics are traffic magnets...**so you can "**Clone & Profit**"

(Hint: Pay close attention to the Title Tag and Description Tag...it's what influenced the traffic to click the link in the Google results!)

Enjoy, and thanks for attending!
